## BILL DILLIAN VINEYARD

### SIERRA FOOTHILLS

#### Vineyard Notes

40 years ago, a visionary grape grower named Bill Dillian planted these beautiful, head-trained Sémillon vines in the sandy soils of California Shenandoah Valley AVA. Andis Wines took the chance on producing wine from this vineyard without knowing that one day it would be recognized by critics as a “Hidden Gem of California”,

The unique micro-climate and the high elevation of the Sierra Foothills develop a fruit with great acidity and balance.

#### Winemaker Notes

2019 Semillon Bright silver and platinum with a lively rim. Sharp and cleansing with layers of lemon zest and pith, honeysuckle and ocean spray. Mouthwatering crushed shell acidity with starfruit and a lengthy finish.
