

CABERNET FRANC SIERRA FOOTHILLS

Andis Wines was established in 2010 as a forward-thinking winery built with a green design. Our building is modern in look with a focus on sustainability and respect for the environment. We source fruit from our Estate as well as some of the best vineyards in the region to produce exceptional wines of character and varietal correctness.

Winemaker Notes

Sourced from a high elevation vineyard in the heart of the Sierra Foothills where the growing seasons are long, wines from this region develop full flavors and intense color. The volcanic soils produce a Cabernet Franc that is very true to varietal. This wine is well-balanced with moderate tannins, showing a ripe black-fruit aroma and rich black-cherry flavor.
