## 2016 Grenache Estate "Akuna Block"

### WINEMAKER NOTES

The 2016 vintage is a true expression of the drought season Amador County was facing. The head pruned vines are sitting on decomposed granite and 100 % dry farmed with sustainable and organic techniques.

*"The Pinot Noir of the Sierra Foothills" - Andrew Friedlander*

*This pretty red is light and translucent, scented with strawberries and bitter chocolate. The plush middle is juicy and fresh, with a lean, bony energy that calls for smoked pork.*
